2.The review applicant wants this Court to review its order dated 19.02.2024 made in W.P.(MD)No.3725 of 2024. The said order itself is based on the order dated 09.11.2023 passed by the Hon'ble Division Bench in W.P.(MD)No.26981 of 2023. The learned counsel for the review applicant states that Pallikottai Village Panchayat was not heard before I allowed W.P.(MD)No.3725 of 2024.

3.This contention does not have any merits. One Viyagappan filed W.P.(MD)No.26981 of 2023 and Pallikottai Village Panchayat was shown as the eighth respondent in the said writ petition. It was represented by a counsel by name Mr.M.Harish Kumar. Since I had only issued directions for implementing the order passed by the Hon'ble Division Bench, the questioning of reviewing the order passed by me does not arise at all. So long as the order dated 09.11.2023 made in W.P.(MD)No.26981 of 2023 is holding good, I cannot review my earlier order.

4.However, I would direct that the existing status quo ie., the quantum of water receivable by Pallikottai Village Panchayat should not

in any way be affected by the provision of a new connection for Allavanthankulam Village Panchayat. If the review applicant's interest is adversely affected by the new arrangement, it is always open to the review applicant to move this Court for appropriate relief.

5.With this direction for maintaining the status quo as regards quantum of water received by the Pallikottai Village Panchayat, the review application is dismissed. No costs. Consequently, connected miscellaneous petitions are closed.
