3. Mr. K.Ramiah, learned Standing counsel for the respondent submitted that without giving any representation, the petitioner has chosen to file this writ petition. The respondent, who is the party to the Employees Compensation claim before the Commissioner of Workmen Compensation Tribunal, could have been very well aware of the award passed in the said proceedings in E.C.No.33/2018 dated 23.05.2022.

4. The respondent being a party to the said proceedings cannot expect the petitioner to come with an application to discharge his obligation. However, the respondent submitted that there is a difference in calculating the interest attached to the award amount and that is the reason why the petitioner has filed this writ petition.

5. If there is any variation in the calculation in respect of the interest made by both the parties, they are at liberty to file mutual calculation memo to sort out the eligible interest and the respondent
