3. It is needless to point out that whenever a representation of this nature is made to a Statutory Authority, there is a duty cast upon the respondents to consider the same on its own merits and pass appropriate orders in one way or other, instead of keeping the same pending indefinitely. As such, non-consideration of the representation by the Statutory Authority would amount to dereliction of duty. The failure on the part of the authority had prompted the petitioner to file this petition for seeking relief through issuance of Writ of Mandamus. As the petitioner has made out a case for invoking the extraordinary powers of this Court under Article 226 of the Constitution of India, the respondents are required to be given with direction to consider the representation of the petitioner within a specified time frame.

4. In the light of the above observations, there shall be a direction to the first respondent herein to consider the petitioner's representation dated 25.03.2024 on its own merits and pass appropriate orders in accordance with the eligibility of the petitioner, within a period of six weeks from the date of receipt of a copy of this order. It is made clear that this Court has not expressed any of its views with regard to the merits of the claim of the petitioner and that it is open to the concerned respondent to consider the same on its own merits.
