ORDER

Heard the learned counsel for the petitioner and the learned Special Government Pleader for R1 & R2 and the learned Government Advocate for the third respondent. Issuance of notice to the private respondent is dispensed with.

2. The petitioner had deposited the petition mentioned amount to the credit of the first respondent. The need to make such deposit arose on account of the condition stipulated by Sessions Court when the petitioner applied for anticipatory bail. The claimants have now approached the second respondent for award of compensation. All that the petitioner wants is transfer of the deposit amount from the first respondent to the credit of the second respondent. No exception can be taken to the said request.

3. The first respondent cannot take the stand that they can appropriate the amount made by the petitioner and disburse the same in the manner known to law. This is because, deposit was made with a specific object in view. It was to compensate the dependents of the victims. The claimants have now moved the second respondent. The second respondent is holding enquiry. Ultimately, the amount will have to be disbursed as per the order to be passed by the second respondent. Therefore, it is not for the exclusive appropriation of the first respondent authority.

4. Therefore, the petition mentioned deposit amount shall be transferred to the credit of E.C.No.2 of 2024 on the file of the second respondent. This shall be done as expeditiously as possible. The Writ Petition is allowed. No costs. Consequently, connected miscellaneous petition is closed.
