2. The case of the prosecution is that the defacto complainant's sister, namely, Abinaya and the first petitioner had worked in A-to-Z Hospital, Tanjore and both had loved each other. After knowing about the love relationship between them, the Hospital Management had terminated them from the hospital. Thereafter, since the first petitioner has refused to marry the defacto complainant's sister, she gave a complaint before the Superintendent of Police Thanjavur on 20.03.2024 and she went to the petitioners' house to know the whereabouts of the first petitioner, at that time, the second petitioner, who is the father of the first petitioner, has refused to give the details of the first petitioner. Hence, she committed suicide.

3. The learned counsel appearing for the petitioners submits that the petitioners are innocent persons and they have not committed any offence as alleged by the prosecution. He further submits that the deceased had a mental depression, for which, she was also taking treatment and the petitioners had never abetted the deceased to commit suicide. Therefore, he prays for grant of anticipatory bail to the petitioners.

4. The learned Additional Public Prosecutor appearing for the respondent Police opposes for grant of anticipatory bail on the ground that the investigation is
