has filed this petition, seeking anticipatory bail.

2. The case of the prosecution is that the petitioner has illegally transported one unit of river sand in a vehicle.

3. The learned counsel appearing for the petitioner submits that the petitioner is an innocent person and he has not committed any offence as alleged by the prosecution.

4. The learned Additional Public Prosecutor appearing for the respondent opposed for grant of anticipatory bail on the ground that the investigation is yet to be completed. However, he fairly submits that the petitioner is not having any previous case.

5. Considering the nature of mineral involved and also considering the fact that the petitioner is not having any previous case, this Court is inclined to grant anticipatory bail to the petitioner.

6. Accordingly, this Criminal Original Petition is allowed and the petitioner is ordered to be released on bail in the event of arrest or on his appearance within a period of fifteen days from the date of receipt of a copy of this order, before the concerned learned Judicial Magistrate, on condition that

8. Though the above provision mandates the authorities to confiscate the tool or instrument or vehicle involved in the commission of the offence of illegal quarrying /

transportation of sand, the authorities have not invoked the provision under Section 21(4-A) of the Mines and Minerals (Development & Regulation) Act, 1957 and therefore, a Division Bench of this Court in W.P.No.19936 of 2016, etc., batch has emphasized the need for confiscation of the vehicles. Consequently, the Government has also issued certain directions to the authorities of Revenue, Police and Forest and Geology and Mining departments to seize the vehicles and for confiscation of the same in G.O.Ms.No.170, Industries (MMC-II) Department, dated 05.08.2020. Therefore, the respondent police is directed to proceed further as per Section 21 (4-A) of the Mines and Minerals(Development & Regulation) Act, 1957 and as per the guidelines issued in G.O.Ms.No.170, Industries (MMC-II) Department, dated 05.08.2020.
