3.It is the case of the petitioner that there is a dispute between the 3rd respondent Society with regard to the administration and selling of milk. One portion of land is held by the 3rd respondent and the other portion is held by the petitioner. Hence, this writ petition has been filed seeking direction.

4.It is the contention of the learned Standing counsel for the respondents 1 and 2 that the land in question and Bulk Milk Cooler is in the control of the 2nd respondent and the petitioner is having no right over that.

5.On perusal of very allegations and counter allegations, it is seen that it is purely a dispute between two registered Societies. Therefore, the petitioner has to raise the dispute before the District Registrar under Section 90 of the Co-operative Societies Act, 1912. It may not be decided in the writ Court.

6.Accordingly, this writ petition stands dismissed. There shall be no order as to costs. Consequently, connected miscellaneous petition is closed.
