3. The petitioner's father Gurunathan died on 24.06.2009.

The learned counsel for the petitioner submitted that the mother of the petitioner has filed an application on 17.08.2010 and a communication has been established and order has been passed on the said application on 23.02.2016 stating that when the application was made, the petitioner's sister, on whose behalf the application was filed, was a minor.

4. After several years, the petitioner has filed another application in the year 2022 stating that he is the son of the deceased and that he is entitled to seek compassionate appointment. It would have been appreciated if the petitioner has substituted himself, at the time when the application filed by his mother on behalf of daughter, was taken up for consideration. The petitioner has filed the application after the first application was dismissed and I do not find any reason for interference.
