ORDER

This Writ Petition has been filed for a Mandamus seeking for a direction to the respondents to regularise the services of the petitioner and bring on time scale of pay from the date of her initial appointment ie., on 19.09.2015, with all consequential service and monetary benefits.

2.The petitioner claims that she was appointed as a Nurse in the second respondent with effect from the appointment date. However, according to her till date her services has not been regularised even though many others have already been regularised. The petitioner also contends that those who have not been regularised were also appointed on the same date along with the petitioner.

3.Learned Counsel for the petitioner would submit that eventhough a positive direction is sought for in this Writ Petition, it would suffice for the present if a direction is issued by this Court to the respondents to consider the representation of the petitioner
