Considering the limited scope of the prayer, the second respondent is directed to conduct survey after scrutinizing the application submitted by the petitioner and based on the relevant documents such as patta. The second respondent will have to issue notice to the petitioner as well as adjacent land owners before conducting survey and further hold enquiry. During enquiry, objection can be received from the adjacent land owners. If the objections are without any basis, they can be rejected in toto. If the second respondent finds the objections are having substance, he shall relegate the petitioner to move the jurisdictional Civil Court. If there is any law and order problem, the second respondent can seek the aid of the jurisdictional police for
