ORDER

Heard Mr. P.Manoharan, learned counsel for the petitioner and Mr.K.Ramesh, learned Standing Counsel, for the respondents.

2.The petitioner has filed this Writ Petition seeking for a direction to the respondents to pay the difference amount of 45 % dearness allowance at the existing rates of 50 % along with 18 % interest from the date of the petitioner's retirement i.e., on 23.03.2019 to till the date of payment.

3. By consent of both parties, this Writ Petition is taken up for final disposal at the stage of admission itself.

4. The writ petitioner was working as a Special Grade Assistant in the respondent Corporation. She retired from service after reaching the age of superannuation. She has alleged that while computing her terminal benefits, the respondents have fixed 5% for dearness allowance. At the relevant point of time, the existed dearness allowance was 50%. It is claimed that the petitioner is entitled to the percentage of dearness allowance as fixed by the State

Government for the employees in-service and hence, the petitioner is entitled for the difference of 45% dearness allowance along with interest.

5.It appears that the terminal benefits were computed by taking the dearness allowance at 5% instead of 50%. There is no dispute that an error in computation had taken place. Therefore, the respondents are directed to rework the petitioner's terminal benefits by taking her dearness allowance at 50%.

6. In view of the above, the respondents are directed to rework the petitioner's terminal benefits by taking her dearness allowance at the appropriate rate. The differential amount shall be paid to the writ petitioner along with 6% interest per annum within a period of six weeks from the date of receipt of a copy of this order.

7. With the above directions, this Writ Petition is disposed of. No costs.
