verification in pursuant to the earlier order, dated 30.04.2024 in W.P. 10935 of 2024, has filed this writ petition seeking a writ of Mandamus.

3. In the earlier writ petition, the petitioner has stated that she could not apply to the post under the Destitute Widow category, but she was not able to upload the certificate as she did not have the certificate at the time when she applied. Since the petitioner has reached the zone of consideration, but she was not called for certificate verification and she has filed an earlier writ petition seeking direction. Accordingly, the petitioner has appeared for certificate verification and certificates were verified. However, no posting orders have been issued to her. So, the petitioner has filed the present writ petition seeking direction to release posting orders to her.

4. It is for the respondents to state why posting orders have not been released to her despite she has appeared for certificate verification.

5. Since the representation of the petitioner in this regard is

pending without consideration, the same shall be considered and orders be passed within a period of three weeks.

6. In view of the above stated reasons, this writ petition is **disposed of** and the respondents are directed to consider the representation of the petitioner within a period of three weeks from the date of receipt of a copy of this order. No costs.
