Government Advocate

ORDER

A mandamus is sought for a direction to the respondents 1 and 2 to issue patta in respect of the Government waste land in which the petitioner has been in occupation for several decades.

2. It is the contention of the petitioner that he is living in the said property. They belong to the marginalised section of the society and have been living in the property by putting up a house. However, they have not been granted patta and therefore, they had made a representation to the respondents to consider the same and issue them with a patta.

3. The learned Government Advocate would submit that the lands are classified as waterbody and patta cannot be granted.
