ORDER

2. This Writ Petition has been filed seeking to quash the order of the first respondent dated 14.10.2019 and with a consequential direction to the respondents to appoint the petitioner in any one of the posts as suitable for the qualification of the petitioner.

this regard, the petitioner submitted an application, within three years from the date of death of his father, before the second respondent seeking compassionate appointment. The application of the petitioner was rejected on the ground that if anyone of the family member of the deceased working in the Government sector or private sector, then the appointment under compassionate ground cannot be provided. In fact, the petitioner's mother was working as a Noon Meal Helper even before his father was died. The petitioner is also said to have got employment in the year 2014 as 'Maalaikatti' in the Temple under the control of Hindu Religious and Charitable Endowment Department.

4. Mr.M.Ramesh, learned Government Advocate for the respondents submitted that the services of the petitioner or his mother are not regularized and they are still working on temporary basis. But that cannot be the reason for considering their application favourably for providing employment under compassionate ground.

5. Since the petitioner have got some other avocation either temporary or permanent but for making out their livelihood, the first

respondent has rightly appreciated the matter and rejected the application. Hence, I find no grounds for interference.

6. In view of the above stated reasons, this Writ Petition stands **dismissed**. No costs. Consequently, connected miscellaneous petition is closed.
