ORDER

This writ petition has been filed for a direction to the respondents 1 and 2 to survey and fix boundaries in respect of the properties in Survey No.185/1, 185/2, 185/3A, 185/4A, 185/5A, situated at Pothampatti Village, Usilampatti Taluk, Madurai District.

2. The petitioner's father and his brother owned the subject property and the joint patta was issued in the name of the petitioner's father and his brother's wife. After demise of the petitioner's father, the petitioner and petitioner's paternal uncle were in possession and enjoyment of the property. While so, the respondents 3 to 5 disturbed their peaceful possession by removing the old survey stone. In order to identify their land in subject survey numbers, the petitioner filed an application for survey and demarcation of the lands. The petitioner paid the necessary charges for the same. As the application was kept

pending without any action, the petitioner filed the writ petition for the aforesaid relief.

3. With the consent of both learned counsels, this writ petition is disposed of at the admission stage itself. If any person is aggrieved by this order, it is open to them to move this Court either by way of review or recall of this order, if there is any suppression of material facts by the petitioner.

4. This Court in W.P(MD)No.12676 of 2024, dated 14.06.2024 issued certain directions for considering the application for survey and fixing of boundary. Following the said order, the following directions are issued:

(I) The petitioner is directed to submit his / her application in on-line mode. The survey authority will scrutinize if the application submitted by the petitioner is in order. Patta need not be in the name of the applicant. If patta is in the name of the vendor and mutation has not been effected, still the application can be considered.

(II) The petitioner will have to enclose all the relevant documents such as patta. The applicant must have individual patta in his / her name. If he / she is having joint patta, co-

But the survey will be conducted only after a period of six weeks so that the objector can move the concerned Court for injunction. If before the proposed date of survey, the objector is unable to obtain any injunction order, the survey can very well go on. If any suit is filed, subject to plaint being in order, it shall be numbered immediately.
