ORDER

The challenge in this writ petition is to the order passed by the first respondent rejecting the request of the petitioner not to register the compromise decree passed during the Lok Adalat proceedings.

2. The reason for rejecting the request was that if such registration is refused, it would amount to contempt of Court and was also that there was no

order of stay of the said compromise decree or there was no injunction restraining them from registering. It is not a case of the petitioner that he had challenged the said compromise decree in the manner known to law.

3. In such event, I do not find any infirmity in the order passed by the first respondent and hence, the Writ Petition fails and is accordingly dismissed. However, there shall be no order as to costs. Consequently, connected Miscellaneous Petitions are closed.
