immediately filed this writ petition on 23.09.2024, alleging that from the date of registration, the petitioner has been approaching the respondents 2 and 3 and despite the long hurdle, they have not taken any appropriate action on her representation which has been sent on 19.09.2024. The petitioner has paid the fees on 19.09.2024 and has not even received back the acknowledgment for her representation dated 19.09.2024, which she has sent by the registered post. The writ petition has abused the process of law, therefore, I am not inclined to entertain this petition.

3. Accordingly, this Writ Petition stands dismissed. However, the dismissal of the petition will not procured the respondents from processing the application sequentially and in the order of its registration. No costs.
