This Writ Petition has been filed by the petitioner challenging the impugned demand notice issued by the first respondent dated 21.06.2017.

2.Heard the learned counsel appearing on either side and perused the materials placed before this Court.

3.The petitioner is a private cable television operator. The petitioner is providing signals through cable to several customers in their respective Villages. While being so, the Government of Tamil Nadu issued G.O.Ms.No.22, Information Technology dated 13.08.2007 establishing the first respondent Corporation and the same was incorporated under the Companies Act. The first respondent had obtained Conditional Access System (CAS) license in respect of Chennai alone. After change of regime, in the year 2011, the Government issued G.O.Ms.No.80 and thereby reestablished the first respondent Corporation and took over the network of MSO's and in turn the local cable operators had no chance except to join the first respondent Corporation. Since there

was no private MSO available, the petitioner was compelled to register as LCO with the first respondent with existing customers. The petitioner was charged for 70% of customer points as per TRAI regulations and he had also paid three months advance. Due to various reasons, the petitioner was in arrears of payment of monthly charges. The petitioner was issued notice thereby directed the petitioner to pay arrears of the monthly license fee.

4. On perusal of the impugned notice, dated 21.06.2017 issued by the first respondent would reveal that the petitioner was in arrears of license fee for a sum of Rs.60,000/-. If at all the petitioner was in arrears of the license fee, the first respondent should have disconnected the signal. Though the petitioner was in arrears for several months, the first respondent provided signal to operate their cable TV. Further, it does not reveal any calculation to arrive at that amount. Though it is captioned as show cause notice, the petitioner was directed to remit the said amount failing which a criminal case will be registered. Even assuming that the petitioner is in arrears of license, no offence is made out. Further, the petitioner was not given an opportunity of hearing and no prior notice was issued to the petitioner. That apart, from the year 2018 onwards,

the petitioner has not operated their cable from the signal of the first respondent, since all the customers are switched over to private Multi System Operators. Accordingly, the impugned notice issued by the first respondent dated 21.06.2017 cannot be sustained and the same is liable to be quashed.

5.In view of the above, the impugned notice issued by the first respondent dated 21.06.2017 is quashed and the Writ Petition is allowed. There shall be no order as to costs. Consequently, connected Miscellaneous Petitions are closed.
