2. The plaintiffs in O.S.No.178 of 2007 on the file of the Additional District Munsif, Aruppukottai are the revision petitioners herein. They filed IAs for re-opening, recall and marking of the documents. IAs were dismissed by the court below. Questioning the same, these civil revision petitions have been filed.

3. In normal circumstances, I would have been liberal in approaching the issue. But in this case, I am not in a position to interfere with the impugned order. The suit was instituted way back in the year 2007. The evidence had been closed in the year 2019 itself. Thereafter, the plaintiffs were given opportunity to reopen their side on atleast two occasions. The court below had chosen to say 'no' to the petitioners only when the petitioners sought to invoke its indulgence for the third time. I am not in a position to fault the court below. Appropriate reasons have been assigned. Interference is not warranted. The civil revision petitions are dismissed. No costs. Consequently, connected miscellaneous petition is closed.
