2. In continuation to the earlier order passed by this Court vide order dated 29.11.2024, the learned Additional Public Prosecutor filed a counter confirming that erroneously in the charge sheet there is a mention about CDR report and CCTV footage as a list of documents but those documents are private details of the witnesses and hence not produced before the trial Court. The petitioner made a representation to give CDR details of the persons who are added as witnesses for the period from 01.09.2022 to 30.09.2022. The CDR details is their private information which the prosecution is not relying upon and hence not relied upon document the petitioner cannot claim right of a copy. In confirmation to the same, the petitioner had produced the certified copies of documents which has been filed before the trial Court and from that it is seen that there is no CDR report filed. In view of the same the contention of the petitioner cannot be acceded to.
