W.P(MD)No.23820 of 2024

For Petitioners : Mr.N.Dilipkumar  
For Respondents : Mr.C.Satheesh  
Government Advocate

### **ORDER**

Challenging the impugned refusal check slip issued by the first respondent refusing the sale deed dated 03.06.2024, this writ petition has been filed.

2. Heard both sides. By consent, this writ petition is taken up for final disposal at the admission stage itself.

3. It is the case of the first petitioner that the property in New Survey No.124/12A to an extent of 18 cents belongs to her, which was settled by her husband vide Doc.No.1979 of 2020 dated 25.09.2020 in her favour. Thereafter, she intended to sell 7 cents out of 18 cents in the said survey number. It is the grievance of the first petitioner that when the document of sale deed dated 03.06.2024 was presented for registration, the same was refused by the first respondent directing her to get DTCP approval. Aggrieved by the same, the petitioners are before this Court.

4. At the outset, this aspect has been elaborately dealt by this Court in

D.Rajamanickam Vs. The Sub Registrar, Salem (West) in W.P.No.426 of 2022,

wherein this Court has held as follows :

*“17. The clarification issued above would indicate that the bar contained under Section 22-A is only with regard to unapproved layout which was formed without the permission for development from planning authority concerned and new roads or streets have been laid after the amendment and not in respect of the Unapproved Layout prior to the amendment came into being. Such view of the matter as the layout was formed in 2020 and several plots had already been sold, registration of settlement deed executed by the petitioner for the remaining extent of land retained and held by the petitioner in favour of his son cannot be refused. As already held such land can be used for any purposes other than housing development. Even any one of the adjacent land owners may wish to purchase such land for the purpose of using it as vacant land or for any other purpose other than housing development. Therefore, transfer of such land cannot be said to be totally prohibited, if transfer of such land is totally prohibited, it would certainly violate the constitutional right guaranteed under Article 300-A of the Constitution of India. The very object of introducing Section 22-A by way of Tamil Nadu Act is only to restrict conversion of agricultural land or any other land as unapproved house sites without the permission for development of such land from planning authority concerned. Therefore, bar contained under Section 22-A cannot be applied in a mechanical fashion and registration cannot be refused and restraining the owner of such land from using the land for any other purposes other than housing development.”*

W.P(MD)No.23820 of 2024

In the light of the above settled provision of law, the impugned refusal slip cannot be sustained in the eye of law. That apart, when the petitioners or the villager have the land less than 10 cents, they cannot be insisted to get DTCP approval.

5. Accordingly, this Writ Petition is allowed and the impugned refusal check slip vide refusal number: RFL.COLACHEL/47/2024 dated 31.07.2024 issued by the first respondent is quashed. The first respondent is directed to register the document presented by the first petitioner within a period of seven days from the date of receipt of a copy of this Order. No costs. Consequently, connected Miscellaneous Petition is closed.
