reiterated the position with generally, it is the wife's convenience, which must be looked at while considering the transfer petition under Section 24 of the Code of Civil Procedure and the relevant passage is extracted hereunder :

“The cardinal principle for exercise of power under Section 24 of the Code of Civil Procedure is that the ends of justice should demand the transfer of the suit, appeal or other proceeding. In matrimonial matters, wherever Courts are called upon to consider the plea of transfer, the Courts have to take into consideration the economic soundness of both the parties, the social strata of the spouses and their behavioural pattern, their standard of life prior to the marriage and subsequent thereto and the circumstances of both the parties in eking out their livelihood and under whose protective umbrella they are seeking their sustenance to life. Given the prevailing socioeconomic paradigm in the Indian society, generally, it is the wife's convenience which must be looked at while considering transfer.”, the bench observed.”

7. Considering the above facts and circumstances and also taking note of the fact that the petitioner is residing at Thanjavur and also maintenance case is pending before the Judicial Magistrate Court,
