### **ORDER**

This writ petition has been filed for a direction to the respondents to survey the petitioner's property in Survey No.126 to an extent of 10.50 Ares (26 cents) situated at Palamedu Village, Vadipatti Taluk, Madurai District under the light of the patta issued vide Patta no.826.

2. The property in Survey No.126, Palamedu Village, Vadipatti Taluk, Madurai District to an extent of 26 cents originally belonged to the petitioner's father. On the demise of the petitioner's father on 29.09.1996, the said property devolved on the petitioner, his brothers and sisters. On 27.06.2024, the petitioner submitted an application through online to survey the subject lands and the necessary fee was also remitted by the petitioner. Due to some mistake in the online application, the petitioner submitted a fresh application on 14.09.2024, along with necessary fee. Since no action was taken on the petitioner's application, the petitioner submitted another representation on 21.09.2024 to the respondents to survey his lands. As the respondents did not act on the petitioner's representation, the petitioner was constrained to file the above writ petition.

4. This Court in W.P(MD)No.12676 of 2024, dated 14.06.2024 issued certain directions for considering the application for survey and fixing of boundary. Following the said order, the following directions are issued:

Patta need not be in the name of the applicant. If patta is in the name of the vendor and mutation has not been effected, still the application can be considered.

(II) The petitioner will have to enclose all the relevant documents such as patta. The applicant must have individual patta in his / her name. If he / she is having joint patta, co-pattadars must give their consent for conducting survey.

(III) The survey authority will issue notice to the writ petitioner as well as the adjacent land owners and also to the

(IV) Enquiry shall be held. During enquiry, objections raised by the adjacent land owners / interested persons shall be considered.

(V) If according to the jurisdictional authority, the objections are without any basis, the same shall be overruled and the objectors shall be informed accordingly. But the survey will be conducted only after a period of six weeks so that the objector can move the concerned Court for injunction. If before the proposed date of survey, the objector is unable to obtain any injunction order, the survey can very well go on. If any suit is filed, subject to plaint being in order, it shall be numbered immediately. If any interlocutory application is filed, it shall be disposed of on merits and in accordance with law within a period of four weeks thereafter.

(VI) It is open to the parties to serve memo of instructions to the surveyor at the time of conducting survey. The same will be borne in mind. While it cannot be binding on the surveyor, the same will be taken note of.
