2. A copy of the said communication had been marked to the petitioner, who had been granted permission to run the shop in the licensed place by the Milk society. The reason for cancelling the license given to the Milk society was that apart from the Aavin products, various other produces, which were prohibited, have also been sold in the said licensed place.

3. The licensee had not challenged the said proceedings. However, the person, who had been granted the permission to run the licensed place, had only challenged the proceedings. When the licensee had not challenged it, the person, who was permitted by the licensee, does not have the *locus standi* to challenge the said impugned communication.

4. In such view of the matter, I do not find any merits in this Writ Petition and accordingly, the Writ Petition stands dismissed. However, there shall be no order as to costs.
