ORDER

(Order of the Court was made by **M.S.RAMESH, J.**)

The procedure contemplated under the Tamil Nadu Land Encroachment Act 1905, for removal of encroachment is through an eviction order under Section 6, which is to be preceded by a show cause notice under Section 7, to which, the alleged encroacher would have a right to raise his objections. The order for eviction can be passed, only after consideration of the

objections made by the concerned persons. This is precisely what the earlier Bench had recorded in W.P(MD)No.4824 of 2018 dated 24.08.2022, where, directions were given to follow the procedure contemplated under the Tamil Nadu Land Encroachment Act, 1905, for removal of the encroachment.

2. The prayer in the present writ petition is for issuance of Writ of Mandamus, forbearing the respondents from dispossessing the petitioner from his residence.

3. Admittedly, notice under Section 7 has already been issued to the petitioner, to which, he had also given his objections. When the respondents have initiated the proceedings for eviction in accordance with the procedure contemplated under the Act, the same should come to a logical conclusion as per the procedure.

4. The Act does not empower the authorities to resort to any coercive action for eviction, before a finality is arrived at in the eviction proceedings. In view of this, the apprehension of the petitioner that he may be evicted from the premises before conclusion of the eviction proceedings, is baseless, and thus no interference is warranted to the prayer sought for in this writ petition.

W.P(MD)No.28202 of 2024

5. Accordingly, the Writ Petition stands closed. No costs.

Consequently, connected miscellaneous petition is closed.
