1. The present review application has been filed for review of the order dated 06.11.2023 whereby, the main appeal was dismissed by passing a detailed order.
2. Apparently, the review applicant-appellant, in the meantime, also preferred SLP-(C)-7057-2024 against the abovesaid order dated 06.11.2023, which has been dismissed on 18.03.2024 with the following observations:-

“Delay condoned.

In the facts and circumstances of this case, we decline to interfere with the concurrent findings of fact both under Section 34 and Section 37 of the Arbitration and Conciliation Act, 1996.

The Special Leave Petition is accordingly dismissed.

We clarify that we have not expressed any opinion on

any other similar case which may be pending before the High Court.

Pending applications, if any, stand disposed of.”

3. Keeping in view the above, once the matter has been finalized upto the Apex Court, we do not find any tangible reason as such to reopen the issue in review jurisdiction.
