Versus

State of Punjab & anr. ...Respondents

CORAM: HON'BLE MR. JUSTICE VINOD S. BHARDWAJ

Present : None for the petitioners.

Ms. Akshita Chauhan, DAG, Punjab.

VINOD S. BHARDWAJ, J. (Oral)

Prayer in the present writ petition is for setting aside the order dated 14.09.2022 (Annexure P-6), whereby the request of the petitioner to send the sample of fertilizer for third analysis as per provisions of Fertilizer Control Order, 1985, has been declined.

Learned counsel for the respondent-State, on instructions from Jaskanwal Singh Agriculture Development Officer, O/o Joint Director Agriculture (Inputs), Punjab, submits that the questions raised in the present petition are only academic since the fertilizer was manufactured in May, 2021 with an expiry date of October, 2022. Hence, as on the date the writ petition was filed while impugning the order dated 14.09.2022, the sample had already expired.

While keeping in view the questions open, the present writ petition is disposed of as having been rendered infructuous.
