This revision petition has been filed by the plaintiff to challenge the correctness of the interlocutory order passed by the Court on 03.07.2018, while dismissing his application for directing the defendants to produce the original Will dated 17.02.2002.

It is admitted by the learned counsel representing the parties that in the main case, the arguments have already been addressed and the case is now fixed for final disposal.

In view of the aforesaid facts, the present revision petition is rendered infructuous and dismissed as such.

All the pending miscellaneous applications, if any, are also disposed of.
