1. Defendants-appellants are in second appeal before this Court challenging the concurrent finding recorded by both the courts below.

2. At the outset, counsel for the appellants submits that by virtue of the judgments and decrees under challenge in this appeal, the courts had decreed the suit to the effect that the husband of the plaintiff/respondent is entitled to the first ACP/Higher Standard Scale w.e.f. 05.12.2000 and his service on work charge basis w.e.f. 24.07.1978 to 15.12.1990 is liable to be counted for the purpose of computation of retiral and other benefits. Counsel for the appellants submits that the said period has also been counted towards the retiral benefits and arrears of the dues have been released. By placing on record a copy of sanction order dated 30.01.2023, he submits that during the pendency of the execution petition, even the ACP has been released.
