**KUNAL SHARMA
VS
HERO FINCORP LTD. AND OTHERS**

Present: Mr. Naresh Jain, Advocate
for the applicant-petitioner.

RA-CR-21-2024

The instant application has been filed seeking review of the judgment dated 28.11.2023.

The sole contention raised by the review applicant is that the finding recorded by this Court that the applicant was a borrower is factually wrong and that in fact he was not the borrower but was only a guarantor.

The record has been perused. A categoric finding has been returned by this Court in this regard in paragraph 9 of the judgment and the same is not an error apparent on the face of the record for which the review petition could be maintained. It is settled law that no review is maintainable on merits.

In view of the same, I do not find any merit in the present application and the same is accordingly dismissed.

All pending miscellaneous application(s) are also disposed of.
