1. The Registry has sent a note to the petitioner-Company by a registered reference which has been returned stating that the address of the petitioner-Company cannot be located.
2. This case is pending since 1990 with a reference for the assessment year 1973-1974, however, no one appears on behalf of the petitioner nor has any counsel filed any power of attorney to assist the Court in this case. The Registry has listed this case after reconstruction of the reference at its own level, but we find that as the petitioner does not seem to be interested in pursuing the matter, the case is dismissed for non-prosecution.
