

FAO No.899 of 1989 (O&M)
Date of Decision: 07.08.2024

.....Appellant

GODAWARI DEVI

.....Respondents

Present: None.

1. As per the Registry, file of the instant appeal has burnt in the fire incidents that took place in the years 1996 and 2011. The office report shows that despite the best efforts made by the Registry, the case file could not be re-constituted. Otherwise also, the present appeal is pending since the year 1989. Therefore, the present proceedings have lost efficacy on account of efflux of time as well.

2. In view of the above, this Court does not find it appropriate to continue with the present appeal any more.

3. Dismissed.
