CWP-10267-2017 (O&M) & connected cases

1. By this common order, a bunch of 30 writ petitions, the details of which have been given in the heading, are being disposed of as all these petitions involve the same question of law on similar facts.

2. In the present bunch of petitions, the grievance being raised by the petitioners is that they are working in Adarsh School, which are being run in a public and private partnership mode but are not being given the salary, which are being paid to their counter part working in the Government institutions despite the fact that as per the Affiliation Rules, the employees working in these institutions are to be paid as per the norms of the affiliating authority.

3. Learned counsel for the petitioners further submits that during the pendency of the present petitions, the respondents have decided to form a Committee to examine the said issue. The reliance is being placed upon the order passed by the Coordinate Bench of this Court on 13.02.2023 wherein, a direction was given to the State to look into all the aspects with regard to the running of these schools which are being run in a public and private partnership mode.

4. Learned counsel for the respondents submits that the said consideration is already started by the Committee but same is yet to conclude. The modalities with respect to the taking over of these schools is

**CWP-10267-2017 (O&M) & connected cases 13**

also under consideration. With regard to the grant of salary as being claimed keeping in view the Rules of the affiliation authority, learned counsel for the respondents submits that the same is also under consideration of the authorities concerned and the final decision will be taken shortly.

5. Learned counsel for the petitioners submits that the petitioners are here before this Court for the last more than eight years and are suffering for the reason that they are not being paid the salary which they are entitled for keeping in view norms of the affiliating agency.

6. I have heard learned counsel for the parties and have gone through the record with their able assistance.

7. Once, keeping in view the order passed by the Coordinate Bench of this Court dated 13.02.2023, State is considering various aspects with regard to the grant of salary to the petitioners as well as with regard to the taking over of these schools by the Government and for the said purpose, keeping in view the order passed by the Coordinate Bench dated 13.02.2023, a Committee has also been constituted to examine the issues and make suitable recommendations hence, the only order which needs to be passed at this stage is that State is under an obligation to expedite the said consideration so as to reach finality in a time bound manner.

8. Let the respondents decide the said issues, which are pending under their consideration within a period of four months of the receipt of copy of this order.

9. It may be noticed that the final decision be taken with regard to the salary of the employees who are working in the said institution as well as whether, these institutions are to be taken over by the State keeping in

view the financial aid already been granted by the State to these institutions.

**CWP-10267-2017 (O&M) & connected cases 14**

10. Keeping in view the final decision taken by the State, in case the petitioners are found entitled for any relief qua their salary part, the same will be extended to them within a further period of two months. In case, the State decides against the same so as to cause prejudice to the petitioners, the petitioners will be at liberty to avail appropriate remedy against the said order before appropriate forum keeping in view the fact that the present schools are working under the public and private partnership mode.

11. The present writ petitions are disposed of in above terms.
