**CM-9503-CWP-2023**

For the reasons mentioned in the application, the same is allowed.

**RA-CW-187-2023**

This is an application for recall of order dated 25.04.2023.

Learned counsel submits that on the respondents' statement that the adjudicating authority has passed the final order on 24.04.2024 and penalty has been imposed to all the noticees, the petition was disposed of with liberty to avail alternate remedy. However, the facts stated by the respondents were wrong and in fact the show cause notice is still pending for adjudication and in view thereof, order dated 25.04.2023, deserves to be recalled.

This Court finds that erroneously a finding has been recorded earlier about final order having been passed, although, the matter is still pending.

Keeping in view thereto, the review application deserves to be allowed and order dated 25.04.2023, is accordingly set aside and recalled.

The writ petition is restored to its original number.

Registry is directed to list the writ petition before appropriate Bench.
