In the present petition, grievance being raised by the petitioner is that claim of the petitioner for regularization of his services is not being considered by the respondents despite the fact that petitioner is working with the respondent-department since 1991.

Learned counsel for the petitioner further submits that the question of law raised in the present petition qua the regularization of the services of the employees, who have already served the respondent-State for long duration, has already been decided by this Court while passing order in **CWP-26714-2019 titled as Hira Devi and others vs. State of Punjab and others, decided on 19.07.2024** wherein, a direction has been given to the respondent-State to consider the claim of the employees for regularization of

their services, who have already rendered more than 2-3 decades in service and prays that the present petition may kindly be disposed of in terms of the said order.

Learned counsel for the respondent-State has not been able to rebut that the same question of law as raised in the present petition has already been decided by this Court in Hira Devi (supra)

Keeping in view the above, present petition is disposed of in terms of the order passed by this Court in Hira Devi (supra).

Civil miscellaneous application pending, if any is also disposed of.
