The co-accused Sunny Sohal and his sister Amarjit Kaur are having full knowledge of this illicit trade and drug money.”

6. The quantity recovered from the petitioner was 2 kgs of opium, and the commercial category starts when the quantity exceeds 2.5 kgs of opium.
7. Given this, the rigors of S. 37 of the NDPS Act do not apply in the present case.
8. Section 2 (vii-a) of the NDPS Act defines commercial quantity as greater than the quantity specified in the schedule. Section 2 (xxiii-a) defines a small quantity as a quantity less than the quantity specified in the table of the NDPS Act. The remaining quantity falls in an undefined category, generally called an intermediate quantity. All

sections in the NDPS Act specify an offence and mention the minimum and maximum sentence, depending upon the quantity of the substance. The commercial quantity mandates a minimum sentence of ten years of imprisonment and a minimum fine of Rupees One hundred thousand, and bail is subject to the riders mandated in S. 37 of the NDPS Act. When the quantity is less than commercial, the restrictions of Section 37 of the NDPS Act will not attract, and the factors for bail become similar to the offence regular statutes.

9. In Sami Ullaha v Superintendent Narcotic Control Bureau, (2008) 16 SCC 471, the Hon'ble Supreme Court holds that in intermediate quantity, the rigors of the provisions of Section 37 may not be justified.

10. As per paragraph 10 of the bail petition, the petitioner has been in custody since 04.03.2024. Per the custody certificate dated 07.08.2024, the petitioner's total custody in this FIR is 05 months. Given the penal provisions invoked viz-a-viz pre-trial custody, coupled with the prima facie analysis of the nature of allegations, and the other factors peculiar to this case, there would be no justifiability for further pre-trial incarceration at this stage, subject to the compliance of terms and conditions mentioned in this order.

11. Without commenting on the case's merits, in the facts and circumstances peculiar to this case, and for the reasons mentioned above, the petitioner makes a case for bail. This order shall come into force from the time it is uploaded on the official webpage of this Court.

12. Given above, provided the petitioner is not required in any other case, the petitioner shall be released on bail in the FIR captioned above subject to furnishing bonds to the satisfaction of the concerned Court and due to unavailability before any nearest Ilaqa Magistrate/duty Magistrate. Before accepting the surety, the concerned Court must be satisfied that if the accused fails to appear, such surety can produce the accused.

13. While furnishing a personal bond, the petitioner shall mention the following personal identification details:

1.	AADHAR number	
2.	Passport number (If available) and when the attesting officer/court considers it appropriate or considers the accused a flight risk.	
3.	Mobile number (If available)	
4.	E-Mail id (If available)	

14. This order is subject to the petitioner's complying with the following terms. The petitioner shall abide by all statutory bond conditions and appear before the concerned Court(s) on all dates. The petitioner shall not tamper with the evidence, influence, browbeat, pressurize, induce, threaten, or promise, directly or indirectly, any witnesses, Police officials, or any other person acquainted with the facts and circumstances of the

case or dissuade them from disclosing such facts to the Police or the Court.

15. The possibility of the accused influencing the investigation, tampering with evidence, intimidating witnesses, and the likelihood of fleeing justice can be taken care of by imposing elaborative and stringent conditions. In *Sushila Aggarwal v. State (NCT of Delhi)*, 2020:INSC:106 [Para 92], (2020) 5 SCC 1, Para 92, the Constitutional Bench held that unusually, subject to the evidence produced, the Courts can impose restrictive conditions.

16. Given the background of allegations against the petitioner, it becomes paramount to protect the drug detection squad, their family members, as well as the members of society, and incapacitating the accused would be one of the primary options until the filing of the closure report or discharge, or acquittal. Consequently, it would be appropriate to restrict the possession of firearm(s). [This restriction is being imposed based on the preponderance of evidence of probability and not of evidence of certainty, i.e., beyond reasonable doubt; and as such, it is not to be construed as an intermediate sanction]. Given the nature of the allegations and the other circumstances peculiar to this case, the petitioner shall surrender all weapons, firearms, ammunition, if any, along with the arms license to the concerned authority within fifteen days from release from prison and inform the Investigator about the compliance. However, subject to the Indian Arms Act, 1959, the petitioner shall be entitled to renew and take it back in case of acquittal in this case, provided otherwise permissible in the concerned rules. Restricting firearms would instill confidence in the victim(s), their families, and society; it would also restrain the accused from influencing the witnesses and repeating the offence.

17. Any observation made hereinabove is neither an expression of opinion on the case's merits nor shall the trial Court advert to these comments.

18. A certified copy of this order would not be needed for furnishing bonds, and any Advocate for the Petitioner can download this order along with case status from the official web page of this Court and attest it to be a true copy. If the attesting officer wants to verify its authenticity, such an officer can also verify its authenticity and may download and use the downloaded copy for attesting bonds.

19. Petition allowed in terms mentioned above. All pending applications, if any, stand disposed of.
