VINOD S. BHARDWAJ, J. (Oral)

1. Prayer made in the present writ petition is for seeking issuance of directions to the respondent-PSPCL to provide electricity connection to the petitioner and other residents of the same locality.
2. Counsel for the respondent-Distribution Licensee contends that a No Objection was granted to the Developer namely M/s Pearls Agrotech Corporation Ltd., Sector-100, Mohali for laying of the electrocution plan. The developer however failed to provide for the same due to which the electricity supply could not be made. He contends that the surety furnished by the Developer has thereafter been encashed in respect to the locality in question and the electrification plan has been executed by the Distribution Licensee for the said locality

and the electricity connections have been released in respect thereof. He further submits that the above statement is applicable only with respect to the area demarcated under R-1 appended alongwith the written statement filed on behalf of the respondent-PSPCL.

3. There is no representation on behalf of the petitioner . It is seen that there has been continuous absence on behalf of the petitioner on last many dates. It seems that there is no further subsisting grievance.

Dismissed for non-prosecution.
