In this bunch of petitions, the grievance being raised by the petitioners is that their candidature is being rejected by the respondents on the ground that their bio-metric have mismatched.

The claim of the petitioners in the present petitions is that the videography, which was done at the examination centre duly shows that the petitioners were very much present in the examination hall, which videography is being ignored by the respondents so as to declare them ineligible. Learned State counsel further submits that qua the grievance of the petitioners, who were declared absent, the record already available with the department, will be looked into including the videography of the examination centre so as to ensure whether the petitioners being declared absent, were actually present or not.
