G.S. SANDHAWALIA J. (Oral)

The present letters patent appeal is directed against the interim order dated 28.05.2024 passed by learned Single Judge in CWP No.7331 of 2024 whereby the writ petitioners were permitted to join the internship of the 5th year in the Bachelor of Veterinary Science and Animal Husbandry, subject to them completing all the formalities, as required under the rules.

2. The arguments made by counsel for the University is that by virtue of the said order, the writ petition has been allowed and the fact that the petitioners had otherwise been given an additional chance to attend the additional semester to make good their shortage of lectures, has not been kept in mind by learned Single Judge. It is submitted that the additional semester is stated to continue till 06.09.2024 and the students have been

attending the classes, in pursuance of the impugned orders dated 13.03.2024 (Annexure P-13) and 22.03.2024 (Annexure P-14) wherein they were given the said liberty.

4. In such circumstances, apparently, as per the instructions received by learned counsel for the appellants and not denied by learned counsel for the respondents, the writ-petitioners are attending classes of the additional semester. If that is so, then, they have not been prejudiced in any manner, since apparently, there was shortage of lecturers for the requirement of 75%. In such circumstances, learned counsel for the respondents submits that he may be permitted to argue the writ petition on merits before learned Single Judge which is now fixed for 06.11.2024.

5. Keeping in view the above, we allow the instant appeal and set-aside the impugned interim order dated 28.05.2024 passed by learned Single Judge. It is open to the petitioners to file an appropriate application before learned Single Judge for expeditious hearing of their writ petition.
