In the present petition, grievance being raised by the petitioner is that the services which the petitioner had rendered with the respondents from 07.07.1971 to July 1980 followed by regularization of his services, has not been taken into account as qualifying service for computing his pensionary benefits only on the ground that the Provident Fund deductions were not made during said period.

Learned counsel for the petitioner submits that the said question of law has already been decided and the benefit of service has been allowed by depositing the provident fund by the employee concerned for the period in question hence, the respondents are under an obligation to grant the petitioner benefit of services rendered by him from 07.07.1971 to July, 1980.

Learned counsel for the petitioner further submits that the
