perused the record.

4. From the averments made in the application, it is apparent that the date of death of Surinder Kumar has not been mentioned in the application. However, in the grounds of appeal it has been mentioned that Surinder Kumar had died on 30.07.2017. It is apparent from the record that the present appeal has been filed before this Court on 06.10.2021. The applicants/appellants have not mentioned the source of their knowledge with regard to the pendency of the complaint and the passing of the impugned order dated 27.03.2018 by the Trial Court. Even otherwise, the impugned order was passed on 27.03.2018 and the nationwide lock-down was imposed by the Government due to Covid-19 pandemic in March 2020. Thus, it is apparent that for almost 02 years, the applicants/appellants did not file an appeal before this Court, as the impugned order was passed in March 2018. The present appeal has been filed after a delay of more than 03 years and the present appeal is hopelessly time barred and the application is accordingly, ordered to be dismissed.

Main case

1. Since the application for condonation of delay in filing the present appeal has been ordered to be dismissed, no separate orders are required to be passed in the main case. The appeal is accordingly, ordered to be dismissed.
