Prayer in the present petition is for issuance of direction to respondents No.2 and 3 to not to harass unnecessarily on the frivolous complaints regarding which the enquiry has already been conducted by the Deputy Superintendent of Police, PBI Homicide and Forensics, Kapurthala vide his report dated 31.12.2023 and allegations levelled against the petitioners were found to be false.

Learned State counsel has drawn the attention of this Court to the status report filed by way of affidavit of Rupinder Kaur, PPS, Superintendent of Police, Phagwara, Kapurthala, specifically to para No.7, wherein, it is mentioned that enquiry was conducted on the complaint filed and it was found that civil suit was filed by petitioner No.1-Sukhwinder Singh against respondent No.4 before learned Civil Court, Phagwara and the same is pending adjudication, hence, the enquiry officer recommended to close the complaint filed by respondent No.4. On instructions from ASI Sunil Kumar, he has submitted that till date there is nothing against the petitioner.

In view of the above, the present petition is disposed of. Hence, the petitioners will be at liberty to avail their remedy as per law in case any cause of action still survives with them.
