1. The petitioner has approached this Court seeking quashing of FIR (Annexure P-1) and all consequential proceedings emanating therefrom.

disclosure statement made by the petitioner himself and that there is no other corroborative evidence to establish the allegations and that under these circumstances putting the petitioner to trial would be nothing but a futile exercise as no conviction can be sustained solely on the basis of disclosure statement and that too of the accused himself. It has, however, been informed that the matter is currently at the stage of consideration as regards framing of charges and is fixed for 8.10.2024 before the Trial Court.

4. Without commenting anything as regards merits of the case or as regards veracity of averments made in the petition, the instant petition is disposed off with liberty to the petitioner to raise all the pleas as have been raised herein before the Trial Court at appropriate stage including the pleas which have been recorded above. The Trial Court would be expected to consider all the pleas in accordance with law and to pass an appropriate order while considering the question as regards framing of charges.
