1.                Through the instant petition, the petitioner seeks for a mandamus being made upon the respondent concerned, qua release of the subject lands acquired vide notification bearing No. LAC(F)-NTLA-2002/92 dated 11.04.2002 (Annexure P-2), and, notification bearing No. LAC(F)-NTLA-2003/148 dated 08.04.2003 (Annexure P-3). The said notification(s) were respectively issued under Sections 4 and 6 of the Land Acquisition Act, 1894 (for short 'the Act of 1894'). The consequent thereto award has also been asked to be quashed, and, set aside.

2. The above espoused writ claims become founded upon the provisions of Section 24(2) of the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013 (for short 'the Act of 2013'), whereunders the petitioner becomes empowered to claim the making of a lapsing declaration.

3. The present petitioner would be entitled to the espoused writ relief(s), as relates to this Court, thus declaring rather lapsed the extantly drawn acquisition proceedings, but only when the provisions embodied in Section 24(2) of the 'Act of 2013', become proved to become breached by the respondents. However, for the reasons to be assigned hereinafter, the asked for relief qua the making of a lapsing declaration rather cannot be accorded by this Court.

4. Primarily for the reason, that the present petitioner would be entitled to coax this Court to declare the launching of the acquisition proceedings under the Act of 1894, to thus become lapsed, but only when the respondent-State, rather had completely failed to, in terms of the verdict rendered by the Constitutional Bench of the Hon'ble Apex Court in ***Indore Development Authority versus Manohar Lal and others, reported in (2020) 8 SCC 129***, adduce sufficient/clinching discharging evidence, in respect of the duo parameters, inasmuch as, (i) qua rapat possession being made over the acquired lands, (ii) and, qua the compensation, as became determined by the Collector concerned, becoming deposited for therebys its becoming available for being released to the land losers concerned, besides the said events evidently happening before the coming into force of the 'Act of 2013'.

5. To determine the above, it is necessary to refer to the reply

said reply on affidavit, reveals, that possession over the acquired lands became assumed through rapat roznamcha No. 418 dated 06.04.2005, and the mutation No. 5275 has been sanctioned in favour of the beneficiary department.

6. Moreover, when it is further indicated in the reply, on affidavit, furnished to the writ petition, by the respondent concerned, that out of the total amount of assessed compensation, under award dated 06.04.2005, an amount comprised in a sum of Rs.11,57,03,090/- becoming disbursed to the land losers concerned. Furthermore, it has been stated that as far as the compensation of the land of the petitioner is concerned, despite the same becoming tendered, yet the petitioner not seeking disbursement(s) thereof, and the same is lying deposited with the LAC concerned, for therebys it becoming available for becoming released to the land loser concerned.

7. In consequence, since both the above events took place prior to the coming into force of the 'Act of 2013', resultantly, in terms of the verdict recorded by the Hon'ble Apex Court in **Indore Development Authority's case (supra)**, the present petitioner is not entitled to make any espousal before this Court, that a lapsing declaration be made in terms of Section 24(2) of the 'Act of 2013'. In sequel, the above made writ claim is declined.

8. Moreover, the plea of the petitioner qua his still lawfully retaining the possession over the subject lands, is a mis-founded plea, as, the occupation of the petitioner, over the subject lands rather is as trespassers thereovers and the petitioner is required to be lawfully evicted therefrom.

9. Conspicuously also since it has been stated, in the reply on affidavit, already on record, that the subject lands are an integral component of the layout plans, thereby when they are facilitating the relevant public purposes. Consequently, when public purpose than the individualistic interest is rather to be furthered. Resultantly, this Court finds no merit in the instant petition, and, is constrained to dismiss it.

**Final Order of this Court.**

10. In aftermath, this Court finds no merit in the writ petition, and, with the above observations, the same is dismissed. The impugned notification(s), and consequent thereto award are maintained and affirmed.

11. No order as to costs.

12. Since the main case itself has been decided, thus, all the pending application(s), if any, also stand(s) disposed of.
