Date of decision : 26.09.2024

M/s Bellsonica Auto Component India Pvt. Ltd., Manesar

.....Appellant

Versus

Mohinder Kapoor and others

.....Respondents

CORAM: HON'BLE MR. JUSTICE SHEEL NAGU, CHIEF JUSTICE
HON'BLE MR. JUSTICE ANIL KSHETARPAL

Present: Mr. Ashwani Talwar, Advocate,
for the appellant.

SHEEL NAGU, CHIEF JUSTICE

1. The appellant Company (respondent No.3 in CWP-23239-2023), who is employer, has filed this appeal seeking quashing of the order dated 06.09.2024 passed by the learned Single Judge in CWP-23239-2023.

2. It is submitted that the appellant – employer is aggrieved by directions issued by the learned Single Judge vide order dated 06.09.2024, to the extent that while relegating the petitioner - Union (respondent No.5 herein) to the Labour Court to file appeal along with stay application, challenging the order cancelling its registration, the Labour Court has been further directed to decide the stay application within four weeks from the date of its filing. This, according to learned counsel for the appellant, raises a live and proximate apprehension in the mind of the appellant – employer that the Labour Court would grant stay in favour of the respondent – Union, since prayer made by

the respondent – Union in the application seeking interim relief is akin to main relief.

3. The aforesaid apprehension of the appellant – employer is totally mis-conceived, as no such meaning, as derived by the employer, can be culled out from the order passed by the learned Single Judge on 06.09.2024, as it has not commented on merits of the matter. Learned Single Judge has left open for the Labour Court to decide the question of granting interim relief.

4. Thus, the appeal is mis-conceived and is dismissed as such.

5. All the pending applications, including CM-LPA-5713-LPA-2024, stand disposed of.
