SUDHIR SINGH, J.(ORAL)

This appeal has been filed by the appellant-wife against the judgment dated 03.10.2024 passed by the Principle Judge, Family Court, Panipat, whereby the petition filed by her under Section 13-A of the Hindu Marriage Act, 1955 (hereinafter referred to as the 'Act') for dissolution of marriage by way of decree of divorce was allowed.

2. The brief facts of the case are that the marriage between the parties was solemnized on 14.11.2021 as per Hindu Rites and Ceremonies. Out of the said wedlock, one child was born. Thereafter, the relations between the parties became strained due to temperamental differences and they started living separately. Consequently, the appellant-wife filed petition under Section 13-A of the Act for dissolution of marriage by way of decree of divorce before the Principal Judge, Family Court, Panipat.

3. The limited prayer made on behalf of the appellant-wife is that along with the petition under Section 13 of the Act filed before the Family

Court for dissolution of marriage an application under Section 25 of the Act for grant of permanent alimony was also filed but apparently from the perusal of the order under challenge, it appears that no order has been passed so far as the application under Section 25 of the Act is concerned.

4. Keeping in view the above, we remit the matter back to the Family Court to re-look into the same and decide the application under Section 25 of the Act in accordance with law.
5. With the aforesaid observations, the present appeal stands disposed of.
