

101

IN THE HIGH COURT OF PUNJAB AND HARYANA AT
CHANDIGARH

LPA-3369-2024(O&M)
Date of Decision: 26.12.2024

Mini Goyal
Vs.
State of Punjab and others
..... Appellant
..... Respondents

CORAM: HON'BLE MR. JUSTICE SANJAY VASHISTH
HON'BLE MS. JUSTICE HARPREET KAUR JEEWAN

Present: Mr.Sushant Kareer, Advocate for the petitioner.
Mr. P.S. Bhandari, AAG, Punjab.

SANJAY VASHISTH, J.(Oral)

1. Instant appeal (LPA) has been filed by the appellant (writ petitioner) by challenging the order dated 18.12.2024, whereby Hon'ble Single Bench of this Court dismissed the writ petition.
2. As already indicated in the impugned order dated 18.12.2024, the broader dispute is amongst the family members with regard to the partition and share of the land holdings and other properties. Admittedly, said dispute is pending adjudication before the Civil Court. Questions in regard to the right of the parties qua the land in question cannot be gone into while exercising the power in writ jurisdiction under Article 226 of the Constitution of India. Moreover, the petitioner/appellant has not instituted any proceedings claiming partition of the land and other properties, if any, in

question before the concerned Forum. Even as per the deed of family settlement dated 23.02.2021, there are three parties and as per clause iv thereof, all the assets and liabilities pertaining to the Sheller towards Government procurement agency PUNSUP/PSWC etc. will be conferred upon party No.1 and Party No.2.

3. Furthermore, to a specific query posed by this Court, learned counsel for the appellant is unable to give reasonable explanation as to how the rights of the petitioner/appellant are prejudiced with the action of the respondent(s). Thus, this Court does not find any illegality and perversity in the impugned order.

Accordingly, there being no merit in the instant appeal, same is hereby dismissed.
