2. The Court *vide* order dated 25.07.2024 has already vacated the interim

order which was earlier operating against the respondent.

3. The aforesaid order was passed keeping in mind the averments made by the respondent-MCD in its counter-affidavit where an unequivocal stand was taken by the respondent-MCD that the lift in question was installed in accordance with the applicable rules and regulations.

4. So far as the grievance with respect to the expiry of the validity of the period within which the lift was to be installed is concerned, the same stood extended, as has been stated in paragraph no.5 of the status report. Therefore, the Court does not find it appropriate to keep the instant writ petition pending and the same stands disposed of alongwith the pending applications.
