ORDER

10.01.2024

%

1. The learned counsel for the applicant complains that though the Charge-Sheet was filed on 18.06.2020, the charges are yet to be framed.

2. Learned APP explains that the delay in framing of charges is on account of the non-production of one of the co-accused before the Court. He submits that now the final direction has already been issued for the production of the said co-accused.

3. Considering the status of the case, it is expected that the learned Trial Court shall proceed further with the hearing of the submissions on framing of charges without any further delay. In case there is any further delay in framing of charges, which is not attributed to the applicant, the applicant may present a fresh application for seeking bail, which shall be considered by the learned Trial Court in

accordance with law.

4. The Bail Application is disposed of with the above direction.

The pending application also stands disposed of.

5. A copy of this order be sent to the learned Trial Court.
