The file is taken up on the office noting dated 01.02.2025. It is mentioned that the nominal costs of Rs. 22,000/- was prepared on the basis of the materials available on record since the plaintiff had never filed any bills of costs in the light of the judgement dated 01.05.2024. Accordingly, the costs are assessed @ Rs. 22,000/- for the purposes of the preparation of the decree in my capacity as the taxation officer.

Now be placed before the registry for the preparation of the decree as per rules.
